Pumpkins, a Regional Juried Show

Oh these glorious bulbous orange gourds, how can we possibly show you how much we adore your seasonal availability and brilliant shades? Will a whole month of nothing but pumpkin based art be sufficient? We think so!

Join us this October to celebrate all things Pumpkin. The art can be of any medium that lets you celebrate them in all their glory! You could even venture to make a work from pumpkin (But please limit it to something that is sealed and will not rot, smell or attract insects) and if you have a sentient Great Pumpkin (*proof of art being made by said Great Pumpkin will need to be provided upon submission. We do not accept "Dude, Trust Me" on matters this serious.) it can also be painted BY a pumpkin. All mediums are welcome.

Eligibility

All artists age 16 and older, working in any media, may apply to this show. Work previously exhibited in LibertyTown's gallery is not eligible. Work must be original and completed within the last five years.

Rules

Work accepted into the show must be for sale and must be priced to sell. Works must be submitted in person at the gallery. Work that will be displayed must be ready to show, with no unfired media, no wet paint or other unfinished surfaces. LibertyTown will provide pedestals and shelving as needed. LibertyTown reserves the right to reject works accepted by the juror due to content, space constraints, or inability to properly install the work.

Fees

A non-refundable application fee must be paid for each submitted piece before it will be juried. Payment may be made at time of delivery for jurying to LibertyTown in the form of cash, check or credit payment. "Friends of LibertyTown" members receive discounted jury fees.
