Fiber V, a National Juried Exhibition

This October, LibertyTown Arts Workshop proudly presents *Fiber V*, the fifth installment of our fiber exhibition celebrating the expansive and evolving world of fiber art. This show highlights the full breadth of contemporary fiber practices, including—but not limited to—weaving, dyeing, felting, sculpture, sewing, quilting, knitting, and crochet.
Fiber materials may include cotton, wood, wool, paper, metal, synthetic materials, and beyond. All works must consist primarily of fiber and be of original design; kits and commercial patterns are not permitted.
The method of display must be clear and achievable by LibertyTown staff. Any specialty hardware, hangers, or display forms must be provided by the artist. Artists are required to list all fiber media used in each piece.

Eligibility
All artists age 16 and older, working in any media, may apply to this show. Work previously exhibited in LibertyTown's gallery is not eligible. Work must be original and not from kits and made in the least five years.

Rules
Work accepted into the show must be for sale. Applications must be submitted electronically; no physical pieces will be accepted at the gallery for jurying. Work that will be displayed must be ready to show, with no unfired media, no wet paint, no sawtooth hangers, staple-free edges or other unfinished surfaces. *All wall-mounted work must be equipped with a secure hanging wire.* LibertyTown will provide pedestals and shelving as needed.
